Theatre Workshop in English, 'In Flames'

Last Wednesday 25th of May we received three groups of Baccalaureate from the secondary-schools Josep Lladonosa and Col.legi Maristes de Montserrat, who attended the première of this year's play for Theatre Workshops in English, *In Flames*. *In Flames*, an adaptation of Wajdi Mouawad's *Scorched*, was performed by 3rd-year students of English Studies and the double degree in English Studies and Applied Languages and Translations of the University of Lleida. It is part of the theatre project that the Department of English and Linguistics has produced in the last 10 years. The session with secondary-school students, which finished with a talkback with the play's artistic team, is part of the Faculty of Arts' actions of dissemination. The play's last performances will be offered on June 2nd in two shows with free entrance, at 6pm and 8.30h, for members of the university community and audiences in general.
